

Addendum to liner notes for Battlefield Band's 'Line-up' album

Release Date: **18th July 2011**
Label: **Temple Records**
Format: **CD & Digital Download**
Catalog Number: **COMD2104**
File Under: **Celtic/World/Folk**

Unfortunately due to an oversight, a definitive list of 'who played what' was omitted from the sleeve notes for Battlefield Band's Line-up album, so we've made the information available in this downloadable addendum. Apologies to interested fans of the band, and also to any reviewers who were inconvenienced. Composer & publishing details are available on the album sleeve as usual.
